

GW4 Careers Fair

Tuesday 18 September 2018 from 14:00 to 17:30

*Fairmont Peace Hotel
20 Nanjing East Road
Huangpu Qu,
Shanghai Shi 200002
China*

Welcome

Welcome to the GW4 Careers Fair, Shanghai 2018. The event is designed to enable you to meet with top graduate employers based in China and find out more about the opportunities they have to offer.

Don't forget to update your CV/resume and be sure to bring enough printed copies of your CV in both English and Mandarin for each employer that you wish to speak to. It is also important to ensure that your CV is up-to-date and is formatted in a standardised format.

Please also make sure you bring a copy of your Eventbrite ticket and your university student card as you will not be admitted to the event without these items.

Representatives from all four of the Universities' Careers Services will be at the Fair. Come and talk to us if you have any questions.

We look forward to seeing you there!

The GW4 Careers Partnership

Management

Accepting CV's

Yes – please bring CV's in both English and Mandarin

Allegis Group

Company website address for recruitment

<https://www.allegisgroup.com/careers/jobs>

Company description

As the global leader in talent solutions, we take pride in what we do, connecting great people to great opportunities, helping businesses win and careers soar. Today, with \$12.3 billion in revenues and 500+ global locations, Allegis Group and its network of specialized companies provide a full suite of complementary talent solutions that solves nearly every workforce challenge to empower business success while consistently delivering an unsurpassed quality experience. Our companies include Aerotek; TEKsystems; Aston Carter.

Opportunities Available:

WHO ARE WE LOOKING FOR?

We're looking for people like you – talented, motivated people who care about what they do, who never stop trying to achieve, and who want to build an exciting, stimulating career in a sales-oriented company.

Everybody starts off as an Entry-Level Recruiter so they can learn our services and what makes us great at what we do. We promote based on performance (not tenure.) As soon as the Recruiter has a solid understanding of our services, and can learn to mentor other Recruiters in the office, they will be the first to get promoted into our Account Manager (Sales Representative) role. This position includes a higher base salary, uncapped commission, and incentive trips and bonus.

Preferred Degree Subjects

All Degree Disciplines Accepted

Accepting CV's

Yes – please bring CV's in both English and Mandarin

Company website address for recruitment

www.alphasights.com/

Company description

AlphaSights, a leading provider of industry knowledge and insights, gives professionals in investment management, private equity, consulting firms, and corporations an edge in their competitive and fast-evolving markets. Leveraging up-to-the-minute industry data and a proprietary knowledge-search process, the company's 500+ business-minded employees connect professionals to the knowledge and insights they need to identify and assess opportunities, create value, and outthink the competition. AlphaSights has nine offices in eight countries and regularly ranks as one of the fastest growing companies in the world. For more information, visit alphasights.com.

Opportunities Available:

I. Client Service Associate (2018 and 2019 intake)

As a member of our client service team, you will be acting as the intermediary between our clients on one side, and targeted industry experts on the other. Your role is to focus on our clients' knowledge gaps and define the specialist knowledge required to address them. You then research companies and industries in order to identify and engage leading subject-matter specialists, using sound judgment to qualify their expertise based on the project in question, and connect them with our clients in real-time. Although there is no typical day, there are often many projects running concurrently and our teams have to learn the most efficient way of identifying expertise quickly.

II. Client Service Winter Associate

As a Winter Associate on our client service team, you'll act as the connection point between our clients and industry experts. Your role is to focus on clients' knowledge gaps and identify specialists with the knowledge that can address them. Thinking quickly and critically, you'll conduct surface-level research on companies and industries to identify the precise experts around the globe who can answer our clients' questions. You'll spend considerable time reaching out by phone to experts to assess whether their expertise is a relevant match to the client request you're working on and you'll connect qualified experts to our clients in real time. Working on several client requests at the same time, you'll need to learn effective prioritization to efficiently identify and qualify highly relevant expertise.

Preferred Degree Subjects

Computer Science, Engineering, Finance, Humanities, Law, Management, Mathematics, Marketing, Science, Social Science

Accepting CV's

Yes – please bring CV's in both English and Mandarin
