

GW4 3Rs Symposium

Jointly hosted by the NC3Rs and University of Exeter, to bring together researchers and animal technologists from across the Universities of Bath, Bristol, Cardiff and Exeter.

The event will provide an opportunity for individuals to showcase their 3Rs initiatives and to share ideas and opportunities to further implement the 3Rs leading to better quality research.

Resources and funding opportunities available from the NC3Rs will also be highlighted to support university staff in applying the 3Rs to their work.
